

TECHNICAL DATA

MODEL VS2 MAXI - Tensioned for straight windows

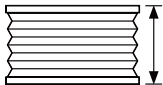

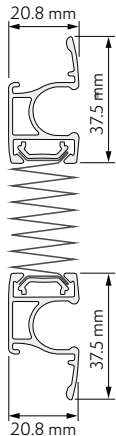

Model VS2 MAXI

Product Description

Custom-made, tensioned pleated shade for vertical windows with freely sliding top and bottom aluminum rails. Operation is via an integrated finger grip in the control rails. The stack can be positioned at the top or bottom as needed. A magnetic latch to secure the top rail to the tension shoes is included. Optionally, the bottom rail can also be secured to the tension shoes with a magnetic latch.

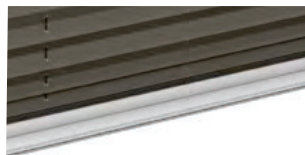

Profiles are available in White, Gray, Anthracite, and Dark Brown.
